Percent satisfied with school-home relations	73.4%	79.2%	71.9%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Vance-Providence Elementary School (VPE) is to provide quality instruction and learning experiences for all students each and every day. Vance-Providence continues to support the vision of Orangeburg County Consolidated School District Three by preparing all students for high school graduation and to become positive future leaders.

The Teacher and Student Achievement Program was implemented and provided the teachers and administrators with steps for enhancing teaching and learning at VPES. Each ELA teacher implemented effective strategies enhanced by classroom libraries and Systemic Instruction in Phoneme Awareness, Phonics, and Sight Words (SIPPS), as well as Making Meaning. Math teachers facilitated learning with the Math Out of the Box Program enhanced by hands-on student learning. Curriculum, grade level, faculty meetings, as well as vertical articulation, and Teacher and Student Achievement program (TAP) Cluster meetings provided opportunities for teacher reflection practices in all content areas.

The District and Regional Science Fair enabled students to experience success. Students demonstrated success on standardized assessments, which included Evans-Newton (ENI), Measures of Academic Progress (MAP), and many areas of the Palmetto Assessment of State Standards (PASS). Students were exposed to weekly instruction in the Arts, which included music, art, media, and dance. Business partnerships provided opportunities for educating the total child during the school year. Students were recognized by The Lake Marion Kiwanis Club for good citizenship. All second graders were offered free swimming lessons via a partnership with the YMCA of Orangeburg. Students traveled to Columbia to attend the Lights Out Program at the Riverbanks Zoo. The Student Council enjoyed a three-day historical trip to Tennessee. The Royal Club was organized to provide leadership/safety skills for fifth graders. The club provided mentorship to enhance the learning for these students. Fourth and fifth graders were trained for the Safe School Ambassadors (SSA) program to help improve the social-emotional climate of VPE. These students were provided with strategies to prevent and stop mistreatment, as well as violence among their peers. Fifth graders received training in the Drug Awareness Resistance Education (DARE) program and fourth increased their awareness of the dangers of drugs and alcohol in the GRATE program. Vance-Providence Elementary will continue to work toward improving teaching and learning during the 2013-2014 academic year.
